

"PhonPhai" App fights against COVID-19. VHV's search and request for survival kits for underprivileged quarantined persons.

The Thai Red Cross Society by Relief and Community Health Bureau, cooperating with Thai Red Cross Chapters, are ready to provide assistance

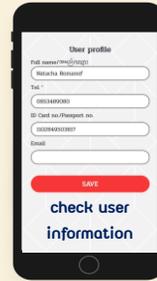

by giving survival kits against COVID-19 to suffering and underprivileged quarantined persons, along with consumer goods, to control the outbreak.

VHVs just simply request for assistance to suffering quarantined persons via "PhonPhai" App according to the 4 steps as follows.

Download "PhonPhai" App.

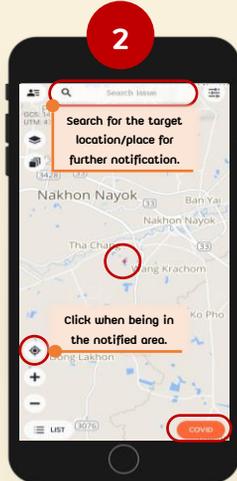

Type the word "PhonPhai" on App Store / Google Play.

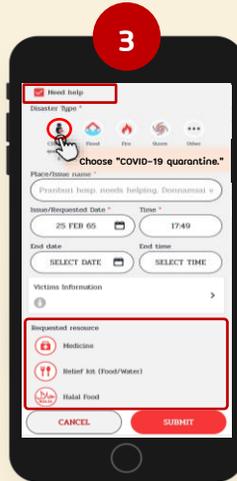

A VHV logs in by username/password using ID card no.

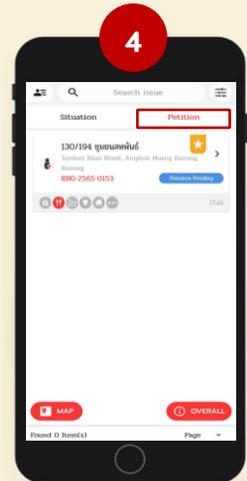

Click "COVID" to request for assistance.

Choose the location to request for assistance.

Fill in the info of required resources. Next, click "SUBMIT."

The status can be tracked on "Petition" tab.

VHVs can track the assistance status by officers of Thai Red Cross Chapters.

Province Pending

Note: To notify the information with request for sending survival kits to persons under 14-day quarantine but lack of food during COVID-19. All information must be screened and confirmed by VHVs as real suffering persons in need.
