

"PhonPhai" App to provide assistance for disaster victims. Subdistrict/Village headmen screen and notify of disasters.

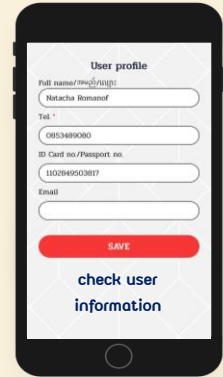

Just simply screen and notify of disasters via "PhonPhai" App as follows.

Download "PhonPhai" App.

Type the word **"PhonPhai"** on
App Store / Google Play.

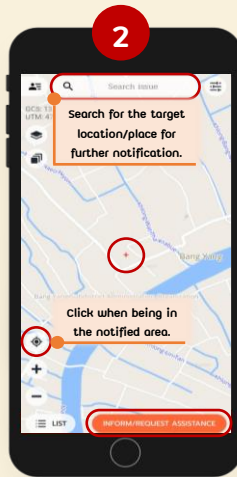

Login by username/password using staff code.

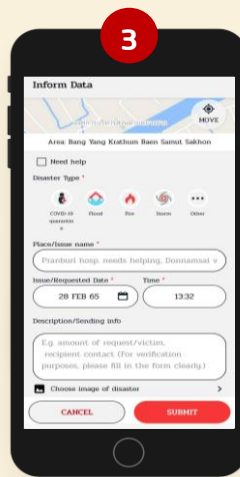

• To notify of local disasters

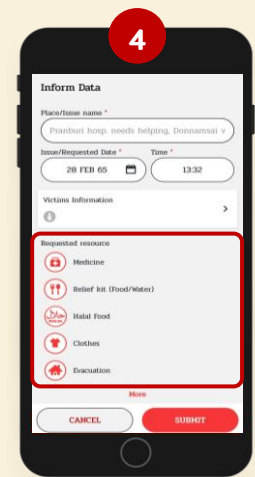

Click **"COVID/Inform."**
for notify of local disasters

Choose the location
for notification.

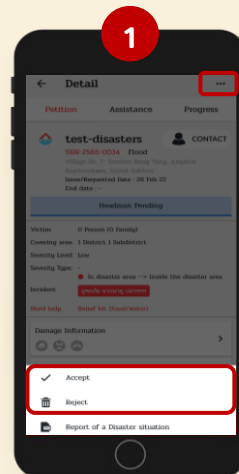

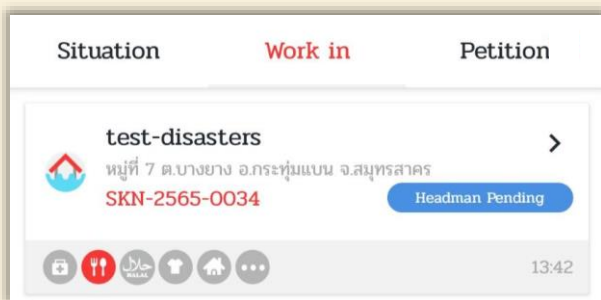

Fill in the information of the
disaster. Next, click **"SUBMIT."**

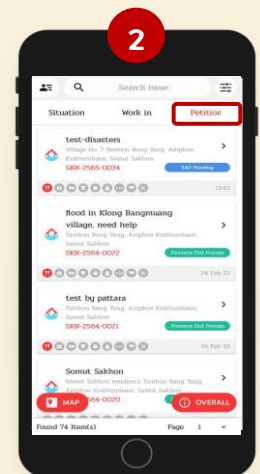

In case of a particular
request for assistance, the
resources must be specified.

• Verification of request from people and VHVs

In case people or VHVs request for assistance,
Subdistrict/Village headmen must screen and verify
the information in their responsible areas.

Choose **"Accept"** to forward
to LAOs for deleting
redundancies or false info.

The status can be tracked
on **"Petition"** tab.
